SUMMARY

Full stack engineer who designs and ships fast, accessible, AI-native web products end-to-end — from product discovery and system design to Next.js interfaces, Node.js services, PostgreSQL schemas and cloud deployments.

EXPERIENCE

Full Stack Developer — Instinctive Studio

Jun 2025 — Present

- Own features across Next.js frontends, Node.js APIs and PostgreSQL schemas for client platforms.
- Integrate LLM-powered workflows into client products.
- Introduced shared component patterns and performance budgets.

Software Developer Intern — Instinctive Studio

Dec 2024 — May 2025

- Shipped responsive, accessible UI features and REST endpoints for client projects; converted to a full-time role.
